

BookData Disc Service

The leading supplier of search and selection tools

Our range of discs are easy to use and available on a subscription basis providing a unique source of timely, accurate and comprehensive information for books and other published media. A monthly subscription ensures that you have the most up-to-date price and availability information (P&A) at your fingertips. All of our services provide stock flagging for the major wholesalers in the UK and US. We have an extensive supplier database of over 60,000 publisher/distributors worldwide, ensuring you have the most up-to-date information available.

PremierPlus provides accurate and enriched data for books published internationally.

- Extensive global coverage including UK, Ireland, Europe, US, Australia, New Zealand and South Africa
- Over 5 million unique ISBNs for English-language titles.

UK&Ireland provides comprehensive information for books published or distributed in the UK, Ireland and Europe.

- Over 3.5 million unique ISBNs for English-language titles.

Both UK&Ireland and PremierPlus feature the following information:

- Enriched data including short descriptions, jacket/cover images
- Market Rights information
- Readership levels
- P&A
- Literary awards and promotional information
- Bestseller lists from BookScan*
- Wholesaler stock flagged including UK & US (Baker & Taylor and Ingrams)
- Publisher & distributor details.

* Bestseller lists from BookScan
Top 100 bestsellers; top 50 fiction; top 50 non-fiction; top 50 children's; latest top 5 children's fiction, non-fiction and education bestsellers, searching on BIC criteria and latest top 5 bestsellers from BookScan. We use 39 different BIC criteria allowing you to refine your search.
