

BookData Information and Cataloguing Service for Schools & Colleges

The leading supplier of search and selection tools

BookData Online

www.nielsenbookdataonline.com

BookData Online is a professional bibliographic search tool used by school and college librarians as well as library suppliers worldwide. BookData Online provides a unique source of timely, accurate and comprehensive information for books (print and digital) and other published media. There is a choice of UK & Ireland or International coverage.

UK & Ireland: Over 6 million English-language titles published or distributed in the UK, Ireland and Europe.

International: Over 11 million English-language titles published in the UK, Ireland, Europe, US, Australia, New Zealand and South Africa as well as data collected from a further 70 countries.

Records contain:

- Price and availability
- Subject classifications: Library of Congress, E4Libraries Subject Category Headings, Dewey Codes, Readership Levels & BIC Subject Classifications
- Descriptions
- Tables of Contents (where applicable)
- Wholesaler stock identified: UK, US (Baker & Taylor and Ingram)
- Publisher and distributor details
- Jacket/cover images.

User benefits:

- Search using Quick Find, Advanced Search, Supplier Search and Bulk Search
- Create and store lists which can then be emailed, downloaded or printed in various formats
- Personalise your account, search forms and how you view your results
- Download UKMARC and MARC21 records
- Sort your search results by BookScan chart position
- Set up New title alerts for your popular search criteria
- Use search history to retrace your last 50 searches
- Email a link to a particular title record to anyone
- Order direct from over 60,000 suppliers.

* Please note this offer is only available to schools and colleges in the UK. It is NOT available internationally or to universities or higher education establishments.

BookData Online is available to schools and colleges for a specially reduced price*

A disc service is available to those without adequate internet access. For more information email: libraries.book@nielsen.com.
